The innovative surface with a distinctive matt-gloss appearance

## PerfectSense® Premium Ambiance

With the PerfectSense Premium Ambiance (PA) surface, we are expanding our PerfectSense portfolio with a lacquer surface synchronised in look and feel, whose partial gloss effects are perfectly matched to the respective decor image. This gives the stone reproductions an even more natural appearance and makes them look extremely authentic.

## Exclusive elegance with partial gloss effects

The PerfectSense Premium Ambiance surface is currently available in three stone-inspired designs: F199 PA Ambiance Marble, F128 PA Black Ambiance Granite and F129 PA Beige Ambiance Granite.
